

“Working at Cabrini I have seen the difference that we are making to the lives of people every day, not just here in Australia but through Cabrini Ministries in both Ethiopia and Swaziland. That is why I am pleased to be part of the We Care Workplace Giving Program.

I encourage you to join me to make a positive impact on the lives of others by making a small regular donation through your fortnightly pay to the area of your choice.”

WORKPLACE GIVING AT CABRINI

“I don’t donate a lot, basically just the cost of a cup of coffee each pay period, but if lots of people did it, it would really make a difference. We’re really lucky to work here in such a great hospital. I have also experienced Cabrini from the other side: my children, parents and grandmother have all been treated here and so have I. We have all had a great Cabrini experience. If I can make a difference, that’s what I want to do.”

What is Workplace Giving?

Workplace Giving provides you an opportunity to support Cabrini sites, services and mission activities both here and internationally.

HOW DOES IT WORK?

- You choose which area of our work to support and how much you would like to donate
- Your donation is deducted from your salary each fortnight
- All donations are pre-tax, so you get a tax benefit immediately
- Stop or start your donations at any time
- 100% of your donation goes to the cause, no administration fees are deducted

MEMBERS OF THE WE CARE PROGRAM RECEIVE:

- A **We Care** badge
- Quarterly email updates about the impact you are making
- Invitation to an annual event to thank you and celebrate your generosity

We Care... about supporting asylum seekers and refugees.

HOW DO I START?

Simply complete the attached donation form and return to the Cabrini Foundation with:

1. Your contact details and employee number
2. Select the amount to be donated per fortnight
3. Select program you wish to support:

Cabrini Foundation

Help fund equipment and projects that support the work you do and the patients and families you care for every day.

Cabrini Asylum Seeker and Refugee Health Hub

Provides free primary and specialist mental health services to Medicare ineligible asylum seekers in Melbourne's northern suburbs.

Cabrini Ministries Ethiopia

Cabrini Ministries Swaziland

Our sister organisations in Ethiopia and Swaziland that provide health, child and family services in poor rural communities.

We Care... about families living in Ethiopia and Swaziland in poor rural communities.
